DynaSpeak Classes

Mainstream Immersion Class

In Phase 1, the DynaSpeak Mainstream class gets you speaking, fast! You'll overcome the main barriers through actually speaking and building confidence. Two hours per day, 10 hours per week in a class of just 9 students, maximum. With Mainstream Immersion, you really are speaking English, with confidence!

Elective Classes

Learning needs two things: confidence, and actually using the language and structure. During Phase 1 of the Full Time DynaSpeak programme, these Elective Classes, 3 hours per day, rising to 20 hours per week in Phase 2, provide you with the structure and practice you need to use the speaking skills you have developed in the Mainstream Immersion Class. Elective Classes build all the key skills of Listening, Grammar, Speaking, Reading and Writing.

Accelerate your learning in Phase 2 by combining Elective Pro25 with MI Class for 35 hours per week of super intensive DynaSpeak learning.

General English, Elective Option 1

DynaSpeak General English (GE) classes are especially designed to balance intensive listening and speaking training with grammar, reading and writing. All of the main features of English are taught and practised to increase your skills and confidence. Additional Tutorials allow you to focus on your Individual Study Plan under the guidance of your Elective Dean.

Academic English, Elective Option 2

DynaSpeak English for Academic Purposes (EAP) prepares you for further study at university and tertiary colleges in New Zealand and overseas. Specialist tutors, small classes and Tutorials focus on your specific goals including Cambridge, IELTS, TOEFL or TOEIC exams. Options for One-to-One tuition and guidance with your Individual Study Plan provide a fast track to academic success.

Foundation Year, Elective Option 3

DynaSpeak Foundation Studies (FS) is delivered in collaboration with leading University Foundation Providers, offering direct entry to all eight New Zealand universities, institutes of technology and excellent universities in the United States, United Kingdom, Ireland, Canada and Australia. Direct entry to your Foundation programme through DynaSpeak provides choice and flexibility in planning your future.

Business & Workplace Communication, Elective Option 4

DynaSpeak Business & Workplace Communication (B&C) offers practical English for successful business and real-life communication. As a Working Holiday or business-oriented student you will experience live interviews, write your resume (CV), present seminars and practice face-to-face, phone and video communication. Accommodation & Activities

Auckland City

Auckland lies splendidly spread around great natural harbours, landscaped hills, gorgeous islands and beaches. Come and live, study and explore amongst our wonderful heritage. You'll meet friendly and welcoming locals, and when it's time to say *haere ra*, farewell, the spirit will stay with you in your heart.

Accommodation

DynaSpeak arranges a full choice of accommodation: Homestay, University Residence or Backpacker Hostel. Accommodation arrangements are flexible and you can change to another type of accommodation during your stay. All accommodation is of a high standard and DynaSpeak ensures help is available 24 hours a day.

Homestay

Homestay is the best way to experience the New Zealand way of life. Single and twin-share options are available. All DynaSpeak's Homestays are inspected regularly by DynaSpeak staff. When you arrive in New Zealand you will be met personally by DynaSpeak's Co-ordinator and taken to your Homestay to meet your Homestay host.

University Residence

DynaSpeak's University Residences are modern high-rise apartments in the city centre so you can walk to school. There is a full range of options including air-conditioning, broadband internet in the room, telephone, laundry facilities and even cafés in the building. There are studio, one, two and three room suites and room-share is available. Let us know what you want and we will make all the arrangements.

Backpacker Hostel

DynaSpeak has carefully selected the best Backpacker Hostels to recommend to you. With a wide range of price and location options to choose from, Backpacker Hostels are an affordable room-share option and a great way to meet people from all over the world.

Apartments (flatting)

For DynaSpeak students who are ready to live more independently, the school can assist you with the process of finding an apartment or house-share, either with New Zealanders or with other international students. This option is suitable for longer-term students who have already settled into New Zealand life.

My name is Yuko and I am from Yokohama in Japan. Before I came to New Zealand I was worried about my homestay family and whether they would like me. I did not need to worry, my host family was very kind to me and I was sad to leave them when I went travelling. DynaSpeak is a great school and the staff and my homestay hosts are now like my second family.

School Activities

DynaSpeak's Social Club is your ticket to fun and friendship. There are regular social events and excursions, with optional overnight trips to popular tourist destinations every week. Whether your interests include sports, culture or adventure, Auckland has everything.

Travel

New Zealand is a traveller's paradise. DynaSpeak can help you to plan your dream adventure using our wide network of travel partners. Whether you want to bungee, snowboard, sky dive, swim with the dolphins or experience New Zealand's unique cultures, DynaSpeak staff are ready to make your New Zealand dream come true. DynaSpeak can also help should you want to explore the Pacific, since Australia and Fiji are only a short flight away.
