# Know where you stand

# Choose your program

ILI's curriculum and placement test are aligned with the standards of the Common European Framework of Reference.

Students can accurately predict how long it will take to reach the level of English required by Canadian universities.

**General English:** a 24-hour per week program that combines speaking, listening, reading, and writing skills.

**University Preparatory English:** an 8-week pathway course that allows graduates to enter one of ILI's associated universities without an official IELTS or TOEFL score.

**IELTS Test Preparation:** improves all four language skills and teaches strategies so test takers can earn their best IELTS score
