# San Francisco / Berkeley

The San Francisco Bay Area is a beautiful part of California, with a more temperate climate than the surrounding area, and its architecture and landmarks are famous across the world. One of the most laidback and friendly places in the world, San Francisco and the Bay Area offer everything the visitor could want.

## LSI Berkeley

The school occupies a two-storey building in downtown Berkeley with indoor and outdoor common areas and a large, glass-covered atrium, close to the station and the university campus. There is free internet use in two student computer rooms, as well as a kitchen, library and study rooms.

## Leisure Programme

Berkeley, home of the prestigious University of California, is a colourful, student-oriented city in Northern California, just across the bay from San Francisco, and abounds with restaurants, cinemas, cafes and bookshops. The Bay Area affords a wealth of famous attractions, such as the Golden Gate Bridge, Fisherman's Wharf and Alcatraz, and visits to places such as the Wine Country and the Monterey Peninsula are easily arranged.
