Boston

Boston is scenically located along the waters of the Charles River and Boston Harbour, on the Massachusetts coast. It combines a rich history with a modern outlook, making it one of the truly great American cities. Renowned as an educational and cultural centre, it is also a place of great natural beauty – the colours of the New England fall are breathtaking.

LSI Boston

LSI Boston is situated in a commercial brownstone on the borders of Chinatown and the Theatre and Financial Districts. Many classrooms feature the exposed red brick walls typical of the local architecture. Among the facilities provided for students are a computer room and lounge, with daily newspapers available.

Leisure Programme

Social activities include museum trips, historical walking tours, baseball games, snowboarding and weekend trips to Cape Cod, New York and Montreal.
