# San Diego

Often called "America's Finest City", San Diego lies at the southern most point of California on a beautiful natural harbour along the 70 miles of Pacific coastline between Los Angeles and Mexico.

### LSI San Diego

LSI San Diego is located in a modern building in the heart of the city, close to all amenities and within easy walking distance of such attractions as San Diego Zoo, the Gaslamp District, Balboa Park and the San Diego Bay. A student resource room in the building offers a library and multimedia computers for EFL self-study.

### Leisure Programme

Fantastic weather and the city's proximity to beaches, islands, mountains and deserts mean that recreational opportunities abound in the San Diego region. Social activities include beach parties, surfing, sailing and even snow skiing, and organised trips to Los Angeles, Las Vegas and Mexico.
