## Sprachcaffe Languages PLUS

### Learning with all your senses!

Many people who would like to learn a language believe - because of their experiences at school - that learning and having fun are mutually exclusive. Some believe, in a sense, that you have to suffer, otherwise you will not get the results that you would like to achieve. They are reminded of what learning grammar and a vocabulary was like in the past. Even those experiences reinforce that learning a language inevitably involves a degree of pain and effort. Have your own experiences of learning made you afraid of failure, afraid of the teacher, worried about making mistakes or making a fool of yourself?

At Sprachcaffe Languages PLUS you will experience a different way of learning. You will have fun and achieve success without losing sight of your serious goals. You will study in a relaxed way, one which is conducive to learning and communicating without fear of making mistakes, literally like having a discussion in a "café linguistico". And this is where the name of the Sprachcaffe institute, which is a play on words, comes in. 'Sprach' implies language and communication and 'café' refers to the atmosphere we aim to create in the classroom.

Sprachcaffe Languages PLUS only teaches a language in a country in which it is spoken. That makes the country, city, and its people an important part of the concept. Learning with all the senses makes all the difference!

As a result of all my visits to Sprachcaffe Languages PLUS schools, I have come to the conclusion that all the above mentioned features and qualities are in evidence.

*Dr. Jürgen Beneke*

Prof. Dr. Jürgen Beneke

Professor Jürgen Beneke, PhD, teaches Applied Linguistics at the University of Hildesheim (Germany). His research interests are languages for professional purposes, foreign language didactics and inter-cultural communication. He has been an adviser to many European companies and the Federal Government in Germany.

## STEPS TO SUCCESS: ANALYSIS OF YOUR CURRENT LANGUAGE

On your first day you will take a language assessment test covering grammar as well as vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week (1 lesson = 45 minutes). The recommended duration to reach your goals will also vary according to individual skill, age and prior language exposure, amongst other factors.

## Present level

**ACADEMIC LEVEL:** Having acquired a perfect command of the grammar and vocabulary, you can communicate almost as effectively as a native speaker.

**HIGHER ADVANCED LEVEL:** You are a confident communicator but sometimes there is a lack of vocabulary in specific areas. You can express & support your opinion with great fluency and accuracy.

**ADVANCED LEVEL:** You have reached a good level of competence and you are able to deal with the nuances of the language. You will also be able to discuss everyday topics and follow conversations.

**HIGHER INTERMEDIATE LEVEL:** You have a good comprehension of most non-specialist texts and a very good understanding of grammatical construction.

**INTERMEDIATE LEVEL:** You are able to spontaneously deal with all kinds of situations, write letters, and read simple newspaper articles.

**ELEMENTARY LEVEL:** You are able to talk about everyday activities and use basic grammatical constructions. You can understand simple messages, instructions and directions.

**BASIC LEVEL:** Even if you start as an "absolute beginner" with us, you will be able to quickly make yourself understood in daily conversation.

## Your goals

**C2- Personal Style:** You aim to communicate as naturally in the foreign language as in your native language. Having solidified your foundation of the language, finding your own personal style is now your main focus.

**C2- Sound command of the language:** Confident during any conversation and report writings you aim, you seek to perfect your knowledge of colloquial, as well as, formal usage of the language.

**B2- The Language of Presentations and Negotiations:** You would like to learn how to use the language spontaneously in every situation and be able to conduct complicated negotiations and express your self eloquently. You aim to understand the context to understand and respond to a problem.

**B2- Advanced Language Skills:** Your goal is to elaborate on facts of a conversation and contribute to the discussion at a deeper level. Reading newspaper articles and manage phone calls with ease.

**A2- Participating in Conversations:** You aim to understand the context to understand and respond to a problem. You would like to be able to understand and respond to a problem. You would like to be able to understand and respond to a problem.

**A2- Basic Conversation:** You aim to understand the context to understand and respond to a problem. You would like to be able to understand and respond to a problem. You would like to be able to understand and respond to a problem.

# BOOKING CONDITIONS & REGISTRATION

**1. Enrolment:** Fill in the application form, scan it and send it to [schools@sprachcaffe.com](mailto:schools@sprachcaffe.com). A deposit of 20% of the total amount is due at the time of registration. With your application you commit yourself to the services requested and booking conditions. After having received your application and deposit we will send the confirmation of enrolment and the invoice. The welcome pack with extra information and the address of your accommodation will be sent after you have settled the remaining balance. The invoice must be paid in full four weeks before arrival.

**2. Change of booking:** Any change (e.g. arrival date, accommodation, etc.) required up to 28 days before departure will incur a fee of 50€ / £40 / \$65 or equivalent (USA in accordance with ACCET and local state regulations). Afterwards we will do our utmost, but cannot guarantee the fulfilment of the request made since extra costs may be incurred. In that case, the rebooking charge may exceed 50€ / £40 / \$65.

**3. Rebooking and cancellation:** If a booking is altered up to 28 days before departure we will be obliged to charge a fee of 50€ / £40 / \$65. After this period we cannot guarantee any requested changes and there will be a rebooking fee which may exceed the above charges. Interchanging students is free of charge provided the students are of the same gender and roughly the same age. In the case of cancellation of a group or individual members of the group (prior to the trip) after your booking confirmation you will be charged the following fees:

	Worldwide	USA	Canada
up to 28 days prior	10%, max 250€ / £200 / \$350	Registration fees, max \$310	10% to max \$350
15 - 27 days prior	25%, max 300€ / £250 / \$500	Registration fees, max \$310 (+1 week accommodation)	20% to max \$500
2 - 14 days prior	50%, max 600€ / £500 / \$800	Registration fees, max \$310 (+2 weeks accommodation)	20% to max \$800
1 day prior	90%, max 1000€ / £850 / \$1250	Registration fees, max \$310 (+2 weeks accommodation)	20% to max \$1250
After course start	100%, max 1200€ / £1000 / \$1500	We follow the policies established by ACCET and the respective U.S. or Canadian state. (+2 weeks accommodation)	

A cancellation insurance is available at 2% of the total amount (minimum 50€ / £40 / \$65). The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written confirmation from the relevant doctor is required as proof). In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded. The minimum number of participants is 4.

**4. Visa:** In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of non-refundable 80€ / £65 / \$120 or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 14 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 15 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.

## 5. Acceptable forms of payment:

By bank transfer: The relevant account number will be on the invoice. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiry date and signature. An additional 2% credit card fee will be charged.

**6. Insurance:** Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend our personal travel insurance (incl. Health, Accident, Liability, Deportation: Basic protection from 1,20€ / £0.92 / \$1.68 per person per day plus a service charge of 13€ / £10 / \$18).

**7. Liability:** Parents of minors agree that neither Sprachcaffe Languages PLUS nor the homestay shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognise and accept the laws and the normal code of conduct of the country which they are visiting.

**8. Rights to image and film material:** By agreeing to our general terms and conditions you are accepting that Sprachcaffe Languages PLUS has the right to use any photos, video and sound recordings which may be produced in the course of a language programme. These materials may be used by us for promotional purposes without cost implication or the need for a separate authorisation from you.

Errors and changes are reserved.
