# Our Teachers

**BRENDA TIDWELL**

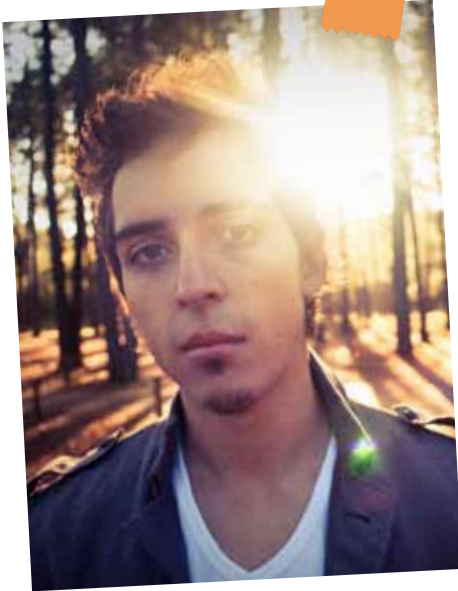

**ERIC HOLLAND**

Not only are our teachers good at what they do, but all of them are native English speakers who are certified to teach ESL by the New York State Department of Education. Our teachers have extensive experience teaching English abroad and teaching English especially to non-native speakers. They strive on a daily basis for communicative language teaching, helping students meet their personal, professional, and academic aspirations.

Hi, I'm Eric. I've been teaching at Bluedata for many years now. Teaching English as a Second Language is a fun and rewarding job. I get to meet interesting people from around the world who came to New York City to learn, meet new challenges, and enjoy themselves. Bluedata is a great place to begin...

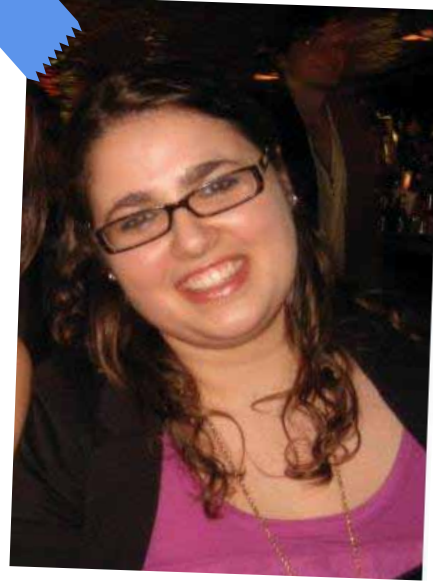

# Our Students

**LEON RODRIGUES**

I take ESL classes and I enjoy very much. Along the courses, I've developed my English a lot, the teachers I had were amazing, very friendly and funny, and most important, they taught in a very productive way. Come enjoy with me !

# Our Staff

**ADRIA BLOOM**

Hi, my name is Adria. You will usually find me at Bluedata's front desk. If you have any problems or questions, I will be more than happy to help you. I hope to see you around.

# Student Services

## Academic Counseling

Unlimited walk-in academic, personal, and immigration counseling are provided to students all day long and all year long. Our counselors are sensitive and dedicated. They work closely with their students to meet all of their personal, academic, and professional needs while attending Bluedata. If you need help opening a bank account or obtaining a driver's license, we would be glad to help.

## Monthly Recreational/Social Events

While attending Bluedata, all students have access to many fun, educational, social, and recreational activities.

Throughout the course of study, teachers take students on cultural outing/field trips in New York City, ranging from museum visits to outdoor activities, cultural parades, and free concerts. Each month, our staff will also provide a social calendar for students with a wide of events going around New York.

Be sure to stay around for the school parties during holidays-they are fun and a great chance for students to mingle and have an enjoyable time.

## Insurance

Without insurance, health care in NYC can be expensive. Our agents will be ready and eager to help you find the right medical insurance that will suit your needs. If you have questions about insurance information, please see a school agent.

## Airport Pickup

Once you step off the plane, your first important stop should be Bluedata. Don't know how to get here? No worries- Bluedata provides airport pickup to its international students for a nominal service fee. Please ask a school agent for more info.

## Accommodations

Finding a place to live in NYC can sometimes be difficult on your own. This is why Bluedata offers optional housing assistance to its international students. These housing options range from local home stays to private apartment, depending on the student's budget and and personal preference.

## Home Stay

Living with an American host family is a great way not only to improve your English, but also to learn and to experience the culture. Upon a student's request, Bluedata is able to introduce host families for students to live with during their studies in the US. Our host families are carefully screened and experienced with hosting students.

## Apartments

Perhaps you want to live independently in NY. Therefore, finding the right apartment in New York is one of the most important things to accomplish and it might not be easy. Upon a student's request, Bluedata is able to help students find apartments with reasonable rents in Manhattan and in nearby boroughs (such as Brooklyn and Queens).

Students can always arrange for housing by themselves, but if you are interested in help with finding affordable housing, please speak to an agent. Bluedata is here to help you.

# International

Bluedata удобно расположена в сердце Манхэттана вблизи таких достопримечательностей как: Times Square, Empire State Building, Madison Square Garden, Manhattan Mall и Macy's.

Bluedata имеет лицензию Департамента образования штата Нью-Йорк и разрешение USCIS на выдачу формы I-20, которая является основанием для получения F-1 визы.

Если Вы находитесь вне Соединённых Штатов Америки и обучаетесь в другом учебном заведении, Вы можете сделать перевод в нашу школу.

Если Вы въехали в США по другой визе, с нашей помощью, Вы можете изменить свой неиммиграционный статус (B1/B2, J1/J2, H1/H4 и т.д.) на статус F-1 и продлить своё пребывание в США.

Наши преподаватели не только настоящие профессионалы своего дела, но также имеют лицензию штата Нью-Йорк на преподавание английского языка как иностранного.

Bluedata предлагает интенсивную программу изучения английского языка, включающую в себя 6 различных уровней, а также программу подготовки к сдаче экзамена TOEFL.

**Документы, необходимые  
для поступления:**

- заявление I-20
- копия паспорта, срок действия которого истекает не ранее шести месяцев на момент регистрации
- оригинал выписки с банковского счёта с суммой не менее \$15000 на 1 год, \$10000 на 8 месяцев, \$5000 на 4 месяца обучения (При наличии спонсора необходимо предоставить документ о подтверждении финансовой поддержки)

Если Вы находитесь в США, Вам необходимо предоставить копии визы, формы I-94, а также копию предыдущей формы I-20 и трансфер-форму при переводе из другого учебного заведения. Все документы должны быть предоставлены на английском языке, и перевод должен быть нотариально заверен.

**Процесс поступления:**

- заполнить заявление I-20
- предоставить все необходимые документы
- оплатить школьный регистрационный взнос и обучение.

После получения формы I-20 и письма о том, что Вы приняты в Bluedata, Вы можете назначить собеседование в посольстве США для получения студенческой визы.

Как только Ваше заявление на получение визы одобрено, Вы можете приобрести билет на самолёт до Нью-Йорка.

После прибытия в США, Вы должны незамедлительно явиться в Bluedata и закончить регистрационный процесс.

Для получения более подробной информации, Вы можете связаться с нашим русскоговорящим консультантом.
