We are a leading Swiss group of language schools based in Montreux, Switzerland. With adult schools in Berlin, Freiburg and Lyon, teaching French and German, we also provide English, French, German and Italian summer courses for juniors. Established in 1996 as ESL Ecole Suisse de Langues, 2014 marks the year of our independence from ESL Education Group. Our mission is to encourage language development through immersion and to expand the horizons of our students, to inspire their future.

**Ugo Toselli**  
Director

**Dear Student,**

In 1996, ESL Ecole Suisse de Langues opened its first language summer camp for juniors in two small mountain stations in the French-speaking part of Switzerland.

After eighteen years of success, time has come for ESL Language Schools to emancipate itself from ESL Education Group and become a fully independent group of schools and junior summer camps in Switzerland, France, Germany and England. We are proud to launch this 2014-2015 season as the newly branded ALPADIA Language Schools.

Our devotion to excellence in teaching and encouraging language development through immersion remains distinctly in our DNA. Inspired by our multicultural and multilingual country, we create a vibrant environment through activity-driven language training, allowing students to expand their horizons and explore new possibilities.

With Swiss quality training and a selection of adult language schools in top European locations, we are confident you will find the course that caters to your needs.

We look forward to welcoming you soon!

All ALPADIA students have the same goal: to immerse themselves in the language and culture of the country. The variety in ages and professional expectations means that you will find a group of friends with the same interests as you and when you get home from your language course, your address book will be filled with contacts from around the world!

## Excellent value for money

Our Swiss quality standards, which we carefully apply to all our centres, make all the difference. Lyon, Freiburg and Berlin enjoy a particularly advantageous cost of living, which enhances the excellent quality-price ratio offered by ALPADIA programmes.

## Internationally recognised certificates

Taking an exam has never been easier: study French or German at ALPADIA and come back home with a recognised certificate in accordance with the CEFR standards (see page 13).

At ALPADIA, you will enjoy great flexibility. According to your level, availability and goals, choose from the DELF/DALF or TCF exams for French and the Goethe-Institut, TestDaF or TELC Deutsch exams for German. As each exam has its own requirements, we offer you specific preparation courses, in order for you to be ready for your big exam day.

At our schools, you can prepare for and sit most official exams at several dates throughout the year. You will have no trouble finding the right place and date to complete your course with an internationally recognised exam. For some certificates, our schools are accredited as official examination centres.

Delivered by official institutions in France and Germany, these diplomas validate your language level and are recognised throughout the world.

## Accommodation options

As accommodation is an essential part of a language study stay, ALPADIA takes special care in choosing various options, including host families, student apartments or residences, shared apartments, hotels, or B&Bs. Whether you wish to be in direct contact with the locals, live with other international students or be fully independent during your stay, we have the accommodation option to best meet your needs and expectations.

## Attractive activities programmes

In order to make the most of your free time, ALPADIA offers an exciting range of activities every week. A relaxed and friendly environment encourages conversation and new friendships. The activities provide a chance for you to get to know the people in your class and to practise your newly acquired language knowledge outside the classroom. Using the language in a sporting or social context is a great way to consolidate the skills that you develop in class. You will make great progress without even realising it.

## Organising your stay from A to Z

From accommodation booking to assistance with administrative procedures; help in obtaining your visa and travel insurance to the personalised follow-up of your progress, ALPADIA does everything to help you prepare for your language study stay abroad. Please don't hesitate to ask us for advice so you can set off with peace of mind. If you so wish, ALPADIA can also organise your transfer from the airport to your accommodation, perfect for a smooth landing!

The excellent quality of our services is recognized by various official Swiss, French, German and international organisations specialised in the sector of education and educational tourism. When you choose an ALPADIA school, you are choosing one of the most-respected language schools around.

## School sizes

### Small Schools (S)

Studying in a school with 40 to 100 participants has many advantages: a relaxed and friendly environment, concerned teachers, and small classes.

### Large schools (L)

With 90 to 200 students, they combine the advantages of small and large ones: good technical equipment, a wide range of activities, many levels, personal contact and good flexibility.

### Extra-large schools (XL)

Schools with over 200 participants offer the same advantages as large ones, although it will be very difficult for you to meet all the other students!

## Free Wi-Fi access

Stay connected during your trip. ALPADIA schools offer free, unlimited internet access. For your convenience, all of our schools and student apartments are also fitted with wireless internet connections.

## Assistance 24/7

From the moment you arrive to the moment you leave, we offer you personalised assistance. Our team is always available to answer your questions and help you during your language course. An emergency number is also available to use around the clock.

## Networking

Join the ALPADIA community to connect with friends via our social networks and keep up-to-date with the latest ALPADIA news, excursions, special offers and contests at all times before, during and after your course!

# Studying a foreign language

## Make rapid progress with ALPADIA.

Our schools offer a modern and effective teaching method delivered by qualified teachers, with well-planned and motivating lessons adapted to all language levels and designed to allow for maximum interaction between the teacher and students. Each student also benefits from continuous assessment throughout their stay. ALPADIA offers an innovative and attractive way to learn a foreign language. You will develop your skills without even realising it!

## Effective teaching methods

In order to guarantee effective and high-quality teaching, we have a clear and efficient teaching plan. We are convinced that by making communication our priority, with clearly identified objectives and the use of interactive activities, we can achieve the best results. Our classes have between 6 and 12 students, which means that each student can take an active part in lessons.

We have based our approach to language teaching on achieving concrete, operational linguistic aims, and not on exercises and automatic reflexes acquired out of context. In this way, you will develop your know-how and be encouraged to use it in practical situations.

We use various recognised FLE (French as a Foreign Language) and DaF (German as Foreign Language) methods and regularly use the news as well as other resources available for use in a multicultural class.

All our students are encouraged to practise the language they are studying in the classroom and during breaks and extracurricular activities in order to maintain full immersion in the language. This creates opportunities for students to learn and exchange inside and outside the classroom while strengthening cross-cultural communication.

## Handpicked teachers

Great teaching requires great teachers. Our carefully selected teachers have all the necessary qualifications and experience to teach a foreign language. However, we ask for more than just a degree from our teachers. They are chosen for their enthusiasm, their ability to create exciting and interactive lessons and for the attention they pay to each student. This lively and personalised teaching guarantees long-lasting progress.

## Learning levels for everyone

Whatever your language skills, ALPADIA has a course to meet your needs and goals. Following a thorough assessment of your existing language knowledge, you will be assigned to a class suitable for your level. Our table of levels conforms to the Common European Framework of Reference for Languages (CEFR), which is the European standard for foreign language teaching. Throughout the course, multiple oral and written activities allow the teacher to continuously assess students' progress and offer personalised solutions to each individual.

## Tailor-made teaching

A crucial factor that often makes all the difference is class size. At ALPADIA, we believe in teaching groups of limited numbers – between 6 and 10 students on average, with a maximum of 12 – in order to ensure personalised assessment to each student, even in group classes. We guarantee high-quality teaching and excellent teacher-student interaction, which means that students are given more opportunities to practise the studied language. Classrooms with modular furniture allow for great flexibility and can easily adapt to each individual teaching style.

## Course certificate and official exams

At the end of your language study stay at ALPADIA, you will receive a course certificate stating the level you have reached. You can also sit one of the many French or German exams available in our schools or at the official exam centres located close-by.

In terms of exams, ALPADIA offers a particularly impressive range. Following a specific preparation course, these exams are available:

- ✓ **DELFDALF**  
3 sessions a year.
- ✓ **TCF**  
1 session a month at the school.
- ✓ **Goethe Zertifikat**  
1 session a month.
- ✓ **TELC Deutsch**  
1 session a month at the school.
- ✓ **TestDaf**  
5 sessions a year at the school.

Recognised by French and German official institutions, these certificates have an excellent reputation in the academic and professional worlds. Passing one of these exams is a great asset for your future.

Whatever your level, aims and availability, you will find the exam that suits you.

## Your first morning with us

It is a great pleasure for us to welcome you to our school! It is also an excellent chance for you to meet the ALPADIA team members and put names to the faces of the people working to make your language course a success.

Before you begin your language study stay, you will be asked to take a placement exam to access your language level so that you can already start your first day in the appropriate class.

After a welcome speech, we will take you around the school and give you all the documentation you need before beginning class. This includes a course guide, a student card – giving you discounts in some shops and establishments – and a presentation of the daily activities programme. You will have everything you need to get your stay off to a great start.

# Progress on a European level

## Teaching by European Standards.

Our course structure and level testing are based on the Common European Framework of Reference for Languages (CEFR), which constitutes the European standard framework for foreign language teaching.

## The CEFR Grid

After many years of research, the official Common European Framework of Reference for Languages (CEFR) document was published in 2001 by the Council of Europe. It helps determine the candidate's language level in terms of their knowledge in various skills groups.

Six different language levels were defined and serve as a reference in the language learning and teaching sector. An EU Council Resolution recommended the use of this Council of Europe grid to establish systems to determine language ability. Nowadays, it is an essential reference document.

The table below is a summary of the CEFR grid. It shows you the language level that you can achieve during your stay as well as the level required to take one of the official French or German exams offered in our ALPADIA schools.

# Certificates

## Add an international dimension to your résumé.

Improve your language skills at ALPADIA and return home with an official diploma. Each exam has specific requirements and ALPADIA offers specialised preparation courses in order for you to be all set for the day of the exam. We offer a wide range of exam options and exam dates, with three sessions per year for the DELF/DALF and one session per month for the TCF, Goethe Zertifikat and TELC German exams. This means you can enjoy optimum flexibility to take the exam of your choice at the time that suits you best.

### DELF/DALF Diploma in French Studies

The DELF (A1 to B2) and DALF (C1 and C2) are official diplomas awarded by the French National Ministry of Education in order to certify skills in French as a Foreign Language. They are made up of six independent diplomas corresponding to the six levels of the CEFR.

Therefore, students have the possibility to enrol directly for the exam of their choice. At each level, the four skills are assessed: writing, speaking, reading and listening. A version designed for teenagers is also available.

Officially recognised in more than 150 countries, the DELF/DALF diplomas are in high demand in academic and professional fields. These exams are offered three times a year on fixed dates in the regional exam centres located within direct proximity of the ALPADIA schools in Montreux and Lyon.

As mentioned in the "course" pages, ALPADIA offers DELF/DALF preparation courses for the levels: B1 / B2 / C1.

### TCF Test in French language skills

The TCF is part of the new wave of modern "thermometer" exams. A simple, fast and efficient evaluation gives you a professional validation of your level of French. The TCF is a multiple-choice questionnaire. After the DELF/DALF, the TCF has become the most taken exam in French language schools.

Based on the CEFR for foreign languages, it has already achieved high recognition. Our schools in Montreux and Lyon are official TCF exam centres. The exam is offered once a month at each school.

### TELC The European Language Certificates

TELC GmbH is a branch of the German Adult Education Association, which is the largest provider of continuing education in Germany. TELC offers German exams for levels A1 to C1, which correspond to the levels of the Common European Framework of Reference for Languages (CEFR) and are worldwide recognised as proof of achievement.

Our Berlin and Freiburg ALPADIA schools are TELC-accredited and offer monthly TELC exam preparation courses for levels B1 / B2 / C1. On request, our accredited examiners come to our exam centres in order to coach students and conduct the exam. We will take care of registering you for the exam.

### Goethe-Institut Promotion of the German language and culture abroad

The Goethe-Institut was created by the German federal government to promote the German language and culture abroad. Goethe-Institut exams are internationally recognised by employers and continuing education institutions as proof of achievement.

German exams offered by the Goethe-Institut correspond to the range of levels of the Common European Framework of Reference for Languages (CEFR) from A1 to C2. These exams are offered on fixed dates in regional testing centres located within direct proximity of the Berlin ALPADIA school. Every month, our ALPADIA school in Berlin offer Goethe Zertifikat preparation courses for levels B1 / B2 / C1.

The pearl of the Swiss Riviera

Montreux offers a gorgeous setting for a French language course. Located on the banks of Lake Geneva, at the foot of the Alps, the pearl of the Swiss Riviera enjoys an almost Mediterranean climate.

From the palm-lined quays to the intense blues of the lake, from the high summits of the nearby mountains to the UNESCO World Heritage-listed terraced vineyards of Lavaux, interspersed with picturesque villages, everything here contributes to the balanced beauty of the place.

It is no coincidence that this lakeside resort of 30,000 inhabitants has an international reputation. A town of rare dynamism, Montreux offers a very rich cultural, artistic and sporting agenda. Every year, tourists and visitors from all over the world come here to take part in the colourful events that give life to this beautiful area. In July, Montreux sways and dances to the rhythm of the famous Montreux Jazz Festival, whilst in winter, Switzerland's largest Christmas market bestows a magical atmosphere on the town. Every season here is extraordinary.

## The city of lights

With its university, art, culture, history, creation, gastronomy and contemporary dance, Lyon is a cosmopolitan city that is always pushing boundaries. Founded in 43 BC, the former capital of Gaul is perfectly located between Northern Europe and the Mediterranean, on the Saône-Rhône axis and with the Alps nearby.

Today, Lyon is just two hours from Paris, Marseille and Geneva on the TGV, the French high-speed train. The city also has an international airport that makes Lyon a perfect spot from which to discover Western Europe. In terms of population, it is the second largest city in France, but it comes first in many respects. This is a place with everything to entice you, including great culture, an impressive range of restaurants – from bouchons

(traditional Lyonnaise restaurants) to Paul Bocuse's prestigious venues – and a student population of 100,000. At night, the city sparkles; your evenings in Lyon are bound to be memorable.

From Bellecour to Terreaux, from St-Jean to St-Paul, from the Parc de la Tête d'Or to the Pentes de la Croix Rousse, its banks and pastel-coloured old districts resembling little villages are invitations to go shopping, enjoy peaceful walks or explore the area.

Discover a UNESCO-listed city famous for its silver and gold embroidered silks; enjoy its beauty and lose yourself in its energy and unique lifestyle. A French course in Lyon is a treat for all five senses.

## The city of lights

Our school is in the heart of the city's cultural and festive life in Lyon's centre. The beautiful 19th century building is located on the "Presqu'île" (peninsula), overlooking the Rhône and a short walk from the Saône. The school has spacious and bright classrooms with high ceilings.

The WIFI network means you can read your emails and surf for free on one of the in-house computers.

Only a stone's throw away from the biggest square in Lyon, straight after class you can soak up the atmosphere in the numerous nearby cafés and restaurants, where Lyon's students meet.

The school has direct access to the best pedestrian shopping areas in Lyon and there is a subway station and a bus stop less than five minutes' walk away from the school.

 GERMANY

# Berlin

**An avant-garde capital**

Learn German in Berlin and discover a capital city with a unique soul: a place where audacious architecture, cutting-edge cultural events and prodigious parties await! Berlin with its numerous parks, forests and lakes exuberantly juxtaposes avant-garde glass-panelled skyscrapers and historical buildings with large green areas that account for around a third of the city, providing plenty of perfect places to enjoy some fresh air.

Berlin's true richness resides in its cultural diversity. Where the cogs of the east and west once sparked violently together, the unified machine is now running like clockwork, but the creative flames lit by those sparks are burning brighter than ever.

With its unrivalled cultural dynamism, the German capital has become Europe's hippest city. Home to more than 165 museums, 300 art galleries and 150 theatres, Berlin is a kaleidoscope of artistic activity, bursting with creativity and welcoming the most diverse trends. The city centre is filled with famous historical sites, including the remains of the wall that split Berlin in two for 28 years, the Reichstag with its translucent dome, the Brandenburg Gate and Checkpoint Charlie. If shopping is more your thing, take advantage of numerous shops on Ku'damm or Friedrichstrasse. And the cherry on the cake? The city is one of the cheapest in Europe!

## An avant-garde capital

In the Schöneberg district, a stone's throw from the main attractions of the capital, our language school offers students a unique opportunity to attend German classes in one of the most beautiful areas of the city. Many cafés, bars and restaurants can be found along the lively streets of this central district, easily reachable by public transport. From the metro station or the bus stop, you will be two minutes away from the spacious and welcoming premises of our course centre.

Along with its large and bright classrooms, equipped with first-class learning facilities, the school has a conference room, an internet café as well as a spacious lounge, where students can meet up during the breaks and buy refreshments.

## The capital of the Black Forest

Located in the state of Baden-Württemberg, where Germany meets Switzerland and France, Freiburg is a multicultural city with a southern charm. Residents have a long-standing commitment to sustainable development, always favouring walking and cycling to get around the picturesque alleys and lanes of the town centre. Modern and audacious, the whole city supports innovative ideas and its location as the economic heart of a dynamic region only reinforces this open-mindedness.

Hailed as the capital of the Black Forest, the town opens onto glorious mountainous

landscapes and lush countryside along the Baden wine trail. Certainly on account of its attachment to these exceptional natural surroundings, Freiburg has become one of the greenest cities in Europe and a pioneer in solar energy and sustainable architecture.

Stroll about the pedestrian streets of its historical town centre, treat yourself to delicious Kaffee & Kuchen on the terrace of a local café and get carried away by a whirl of music and cultural events!

## The capital of the Black Forest

Founded in 1972, our language school in Freiburg is established in an elegant neoclassical house located in the town centre. Here, you will find a stimulating, multicultural environment, conducive to learning German rapidly.

The course centre has comfortable classrooms, a study room, a cafeteria as well as a computer room equipped with self-study software and internet access. In the summer months, you can also take advantage of the large sunny terrace to spend pleasurable moments with the other students from the school.

After your German classes, set off to discover the city. From the school, you will be close to the university, the numerous shops of the historical centre and its beautiful Gothic cathedral. And if you like to ride bikes, take advantage of the city's 400 kilometres of cycle lanes.

Terms & conditions

**1. Registration and confirmation**  
All registrations received by ALPADIA Language Schools S.A. ("ALPADIA") by post, e-mail, fax or telephone and online registrations will be deemed to be valid. Registration will be confirmed within a maximum of 10 working days following receipt of a valid registration. The contract will be deemed to be finalised as soon as ALPADIA has confirmed the registration, and will then be legally enforceable. Where the registered person is an adult, that person will become a contract partner of ALPADIA. Where the registered person is not an adult, their legal representative will become the contract partner of ALPADIA. In that event, the legal representative must sign the contract and give their exact address. The person who is contractually registered to a language course will become a participant, designated as such below. The person who signs the contract (either the person themselves or, where the person is a minor, their legal representative) will be identified as a contract partner, designated as such below.

**2. Information provided at the time of registration**  
The contract partner expressly declares that the information provided at the time of registration for a language course is true and accurate. Any inaccurate information or omission may lead to immediate expulsion from the course (for example, if an "absolute beginner" overestimates their level of linguistic ability in order to be able to start a course on a date other than the official commencement date for "absolute beginners"). In that event, the costs of the course will not be refundable, either in whole or in part. At the time of enrolment, participants are required to take a compulsory language test online before confirming their booking. ALPADIA reserves the right to refuse the booking if the participant fails to take the compulsory test.

**3. Registration fees**  
ALPADIA will charge the following registration fee for each registration: CHF 110 / EUR 75. This fee is non-refundable.  
In the event of late registration, from two weeks before commencement of the language course, participants will be charged an extra fee of CHF 50 / EUR 35 for express processing of their file.

**4. Agreement modification fees**  
In the event that a participant wishes to modify the type of course or accommodation following confirmation of registration by ALPADIA, a modification fee of CHF 80 / EUR 55 will be charged and will be payable with the modification request. No additional charge will be required if the participant decides to extend their language course at the same centre.

- 5. Conditions of payment**  
Fees will become payable immediately on receipt of confirmation of registration as follows:
- a deposit of CHF 250 / EUR 170.
  - the registration fee of CHF 110 / EUR 75 (not included in the cost of the language course).
  - payment of the premium for the cancellation insurance and/or the health insurance (where policies have been taken out).
  - in the event of payment by credit card, any transaction fees are charged to the participant
  - in the event of booking within 2 weeks of the commencement of the language course, the full amount is payable by credit card via PayPal. Any transaction fees are covered by ALPADIA.

The balance of the total fees must be paid at least four weeks prior to commencement of the language course. Neither the course nor the accommodation will be deemed to have been paid for unless the relevant amount has been received into the account details of which will be provided by ALPADIA upon confirmation of registration.

**6. Payment period**  
In the event that the payment periods specified by ALPADIA in the confirmation are not complied with, the contract partner will be held liable. In such circumstances, ALPADIA reserves the right to refuse entry to the course. No claims will be accepted by ALPADIA.

**7. Proof of payment**  
Participants may be asked to provide documentary proof of payment of the full fee for their course and accommodation either before or on commencement of the language course. Failure to do so may mean that entry to both the course and the accommodation will be refused. In the case of late registration, ALPADIA will ask for proof before sending the pre-arrival documentation.

**8. Cancellation prior to commencement of the course**  
A contract partner may cancel their contract in writing at any time prior to commencement of the language course. In that event, ALPADIA will be entitled to seek payment of appropriate compensation, the amount of which will depend on the period of time remaining between the date on which ALPADIA receives the cancellation and the date of commencement of the language course. In accordance with this principle, the amount of compensation is calculated as follows:

- 56 days or more prior to the first day of the language course: 10% of the total invoiced price

- Between 55 and 30 days prior to the first day of the language course: 20% of the total invoiced price
- Between 29 and 22 days prior to the first day of the language course: 30% of the total invoiced price
- Between 21 and 15 days prior to the first day of the language course: 50% of the total invoiced price
- Between 14 days and the first day of the language course: 100% of the total invoiced price
- Failure to participate in the course or cancellation after the given deadlines: 100% of the total invoiced price

The registration fee of CHF 110 / EUR 75 and the insurance costs will remain due. The cancellation amount must be received at the latest 10 days following receipt of the cancellation invoice. In the event that a participant is refused a visa and the original refusal document issued by the Swiss/German/French Embassy is supplied, ALPADIA undertakes to reimburse the whole amount paid, less the administration fee of CHF 150 / EUR 100 and the bank charges of CHF 60 / EUR 40.

**9. Cancellation insurance**  
ALPADIA recommends that contract partners take out a cancellation insurance policy. In the event that the participant has taken out cancellation insurance and then cancels their course, they will be responsible for notifying their insurers. Under no circumstances will a cancellation insurance policy render ALPADIA liable for non-reimbursement of a course. ALPADIA offers cancellation insurance on request.

**10. Passports and visas**  
The participant will be responsible for complying with the security regulations, the regulations governing the obtaining of a visa, and the health regulations required to enter and stay in Switzerland/ Germany/France. Under no circumstances will ALPADIA be held liable for any notice of refusal to enter or stay in Switzerland/ Germany/France given to a participant. Information relating to the regulations governing security, health and obtaining a visa can be obtained from the Swiss/German/French Embassy or Consulate in the participant's home country. No reimbursement will be made, either in full or in part, in the event that a participant is refused permission to enter or stay in Switzerland/Germany/France by their own fault. ALPADIA will provide a letter of invitation for the visa application following receipt of all the costs of the language course.

**11. Accident/health insurance**  
Every participant will be entirely responsible for obtaining accident and health cover valid for the country in which they intend to stay for the whole period of their stay. In the event that they do not have such cover at the time of registration, ALPADIA sells an appropriate insurance policy covering these risks if requested.

**12. Damage caused by participants / civil liability**  
Prior to arrival at ALPADIA, each participant must take out a policy of insurance to cover any loss/damage which they may cause during the course of their stay. In any event, and even if a participant does not feel that it is appropriate for them to take out such insurance, they will be liable for any losses caused to ALPADIA, its commercial partners and any other third party unless the liability of ALPADIA can be clearly demonstrated.

**13. Obligations of participants**  
Participants are required to attend the course and to arrive on time. They are responsible for choosing a course which is appropriate for their level of capability. Failure to attend the course, or irregular attendance, or any disruption to lessons caused by an individual participant's attitude will entitle ALPADIA to expel the participant. The same sanction may apply to inappropriate behavior in the place of accommodation offered by ALPADIA. ALPADIA will not refund or pay compensation for any part of the missed course or accommodation or any additional travel costs incurred.

**14. Late arrival**  
In order to avoid disturbing the class, any participant who arrives more than 15 minutes late should wait for the break before joining the class.

**15. Inconsistent attendance**  
Any participant who does not attend all of the classes which make up the language course will not be entitled to any reimbursement. They will not be entitled to receive their certificate unless they attend at least 80% of the classes.

**16. Claims**  
In the event that a participant wishes to bring a claim, they must notify the head of the centre immediately. Any claim for compensation must be notified in writing to ALPADIA Montreux, and may not arrive more than four weeks after the contractual termination of the language course. After that time, any action taken by the contract partner will be deemed null and void.

**17. Discipline**  
In the event that a participant is badly behaved, undisciplined, or demonstrates a poor attitude, ALPADIA reserves the right to expel them immediately. In that event, ALPADIA will not reimburse or pay compensation for any part of the missed course or accommodation or any additional travel costs incurred.

Switzerland, France & Germany

**18. Changes affecting prices, dates or services**  
Until such time as a participant receives the confirmation of registration, ALPADIA may change the dates and prices of language courses published on the internet or any other communication tools at any time. Following confirmation of registration between ALPADIA and the participant, ALPADIA may change its programme of services, provided that the changes are minor, unavoidable, based on good faith and do not in any way affect the teaching services. In the event that the "key" services provided by ALPADIA are affected by major changes, participants may withdraw or apply to join a different course of the same value, if ALPADIA is in a position to provide this. ALPADIA must notify participants of any changes immediately and participants must notify ALPADIA as soon as possible after receipt of such notification of their intention to exercise their rights.

**19. Minimum number of participants**  
In the event that it is not possible to achieve the minimum number of participants required for a language course (6 persons for a group course), ALPADIA will notify the contract partner at least three weeks prior to the commencement of the course. If ALPADIA is unable to provide a replacement service, ALPADIA will undertake to reimburse all fees paid to date. Under no circumstances will ALPADIA pay compensation for any inconvenience or loss of time. In the event that none of the courses are appropriate for the participant's level of ability, ALPADIA reserves the right to substitute the group course for private tuition and adapt the number of lessons accordingly. The number of hours of private tuition will depend on the amount paid by the participant.

**20. Activities**  
Depending on the weather conditions or other circumstances beyond the control of ALPADIA and its organisation, ALPADIA reserves the right to cancel one or more of the scheduled activities described in the brochure. In that event, ALPADIA undertakes to substitute the cancelled activities with others.

**21. Public holidays**  
The contract partner declares to be aware that schools are generally closed on local public holidays, and acknowledges that this will not give rise to any claim for compensation against ALPADIA.

**22. Cancellation of ALPADIA courses**  
ALPADIA reserves the right to cancel a language course for safety reasons as a consequence of a strike, political unrest or for any other extraordinary reason. In that event, ALPADIA undertakes to reimburse all costs relating to the course. ALPADIA reserves the right to retain a certain amount to cover administration costs.

**23. Liability**  
ALPADIA will assume full responsibility for the language courses offered and undertakes to organise them efficiently in accordance with its knowledge and experience in the sector. Under no circumstances can ALPADIA be held liable for any loss resulting from illness, accident or inconvenience caused by poor service provided by any agent appointed by ALPADIA. Neither will ALPADIA be responsible for the loss of any valuables, personal items, money, etc. unless such losses were due to deliberate negligence on the part of ALPADIA.

**24. Safety and security**  
ALPADIA is authorised to take all reasonable action as required to ensure the well-being and good health of the participants. ALPADIA is also entitled to take all necessary measures to provide a participant with any appropriate medical care in the event of necessity. Any costs arising from such medical attention will be borne by the participant, or their legal representative if they are a minor. A written release/authorisation signed by the legal representative will be required in respect of certain sporting packages where risk is involved. Without such a signed document, ALPADIA reserves the right to refuse to allow the participant to take part in certain sporting activities.

**25. Protection of personal data**  
Within ALPADIA, personal data is only recorded in the event of a request for information, offers or registration for a language course. In principle, external organisations and individuals do not have access to the ALPADIA database. Personal data is communicated in order to reserve accommodation (host family, hostel or hotel) or in response to a legal demand. In certain cases, ALPADIA may provide such information to competent authorities (for example, to immigration authorities). Personal data is filed and registered at ALPADIA-Montreux. In addition to such data being used to provide advice and information on reservation procedures to the participant, they may be used to provide participants with information about ALPADIA products.

**26. Promotional material**  
ALPADIA reserves the right to retain and use photographs either taken by or showing a participant for promotional purposes. The same applies to anything produced by the participant during the language course. This right will be deemed to have lapsed if the participant or their legal representative specifically revoke this point in writing at the time of registration.

**27. Applicable law and jurisdiction**  
Swiss law will apply exclusively to the contractual relationship between ALPADIA and the participant. Jurisdiction will lie with the courts of Montreux, Switzerland. The general terms and conditions of sale will not, under any circumstances, limit the laws applicable to the contract partner.
