Why Eurocentres?

Individual support

A language course abroad is more than simply learning a language – it is a life experience. Whether you dream of studying in another country, landing your perfect job or interacting with the locals on your next holiday, at Eurocentres you will receive the attention and support you need to achieve your goals. The EUROCENTRES SUCCESS SYSTEM is based on a proven learning system that offers structured, individualised study plans and permanent feedback on progress by a qualified teacher.

Fast progress

Learning styles and interests differ from one course participant to the next. Therefore Eurocentres attaches great importance to assessing your initial language skills and goals. We will discuss these with you before your booking, on your arrival at the school and during your course. This forms the basis of your personal self-study plan and allocation to a particular class. During your stay, your teacher will meet you regularly to discuss your learning progress and to ensure that you achieve your learning goals quickly and confidently.

Top locations and state-of-the-art learning environment

Spacious, bright classrooms, state-of-the-art furniture and cutting-edge technology provide the ideal conditions for effective learning. Study areas, communal rooms and fast wi-fi in all schools build a solid foundation for your success. Our schools are centrally located and have been designed to meet the particular needs of language students. Our programmes offer you a variety of suitable destinations for learning abroad. The choice is vast thanks to our extended network of partner schools, which have been carefully selected and regularly audited by Eurocentres. They offer an outstanding range of benefits and services, which may vary from those offered by Eurocentres schools.

Home away from home

Eurocentres takes great care in selecting your accommodation. We place much importance on providing you with the best environment in which to thrive. If any issue should arise, such as homesickness or difficulties with your homestay family, someone is always on hand to help you: your class teacher, accommodation coordinator, academic manager or centre manager. All schools have a 24-hour emergency number.

Meet the world

Studying at a Eurocentres school means meeting people from more than 90 countries. The well-balanced mix of nationalities enriches the experience of learning and using a foreign language in a multicultural context. You will learn to communicate and socialise with people from all over the world.

Practise outside the classroom

The best way to practise is to use your new language skills outside the classroom. Eurocentres offers you plenty of opportunities to do so through its well-balanced and enriching social activities programme. You can participate in activities of your choice in order to get more out of your language adventure.

Investing in your future

Learning a language is a major investment in your future. The Eurocentres Foundation, an institute of Migros Culture Percentage, has been providing language services for more than 60 years and aims to bridge national, cultural and social barriers. We are a non-profit organisation and therefore it is part of our mission that any profits are reinvested in our operations for your benefit.

Swiss quality

Eurocentres provides every day Swiss quality. We ensure the quality of our teaching, facilities and services systematically through audits, customer feedback and accreditation by external organisations to ensure you receive the best learning experience.

Experience counts

The first Eurocentres school opened in England in 1948 – one of the first language schools worldwide. Our reputation for providing quality education has led to our appointment as consultant to the Council of Europe since 1968. In this role we contribute significantly to the development of the Common European Framework of Reference for Languages, a worldwide standard for language learning. Our innovative language methodologies are constantly developed and adapted to meet current needs.

Quality

Quality is paramount. A consultant to the Council of Europe since 1968, Eurocentres played a crucial role in the development of the Common European Framework of Reference for Languages, a worldwide standard for language learning. This guideline provides a basis for developing and comparing language courses and results. As a founding member of EAQUALS, Eurocentres has continuously set global standards for high quality language learning.

Quality at Eurocentres

Eurocentres's strong commitment to quality is evident in its high performance standards. All aspects of the school and services are monitored systematically by our Quality Management System. We go the extra mile to ensure fast and sustainable progress and strongly believe that quality matters for a successful learning experience.

Accreditation

All Eurocentres schools are accredited by one or more external quality assurance organisations such as EAQUALS and the British Council (for full details see page 69). Our innovative language methodologies and services are constantly developed and adapted to exceed expectations and we regularly achieve points of excellence.

You can find a public report by the Independent Schools Inspectorate, one of the UK quality assurance organizations here:

Accommodation

We do our best to ensure you feel truly at home in your host country. Whether you choose to stay in a homestay, a student residence, a hotel or guesthouse, you can be sure that all accommodation options have been carefully selected by Eurocentres. You will be spoilt for choice: select the type of accommodation that suits your needs.

Homestay

Most Eurocentres students choose our homestay programme. It is one of the best ways to get to know your host country's customs and culture, and the ideal opportunity to use your newly acquired language skills. You will have your own room, furnished to a good local standard. If you have any special requirements, such as a vegetarian diet, please let us know on the registration form. We will make every effort to comply with your wishes when arranging your accommodation. Our homestay families – with and without children, older couples and single people – are carefully selected and regularly inspected by our local staff, following clearly defined quality standards. We have been working with most of our hosts for many years now and all are experienced in looking after guests in their homes.

Student residence

In a student residence, contact with students from all over the world will give you the chance to form and deepen friendships. You will have your own room and be responsible for your own meals. Some residences have university restaurant facilities nearby where you can eat at a reasonable price. Others have communal kitchens where you can prepare your own meals, although not all are equipped with crockery, pots and pans.

Hotel or apartment

Most of the apartments we offer are basic, inexpensive studios with a bedroom/living room and a kitchenette. The range of apartments varies from location to location. We are also happy to arrange or recommend accommodation for you in a two, three and four-star hotel or guesthouse.

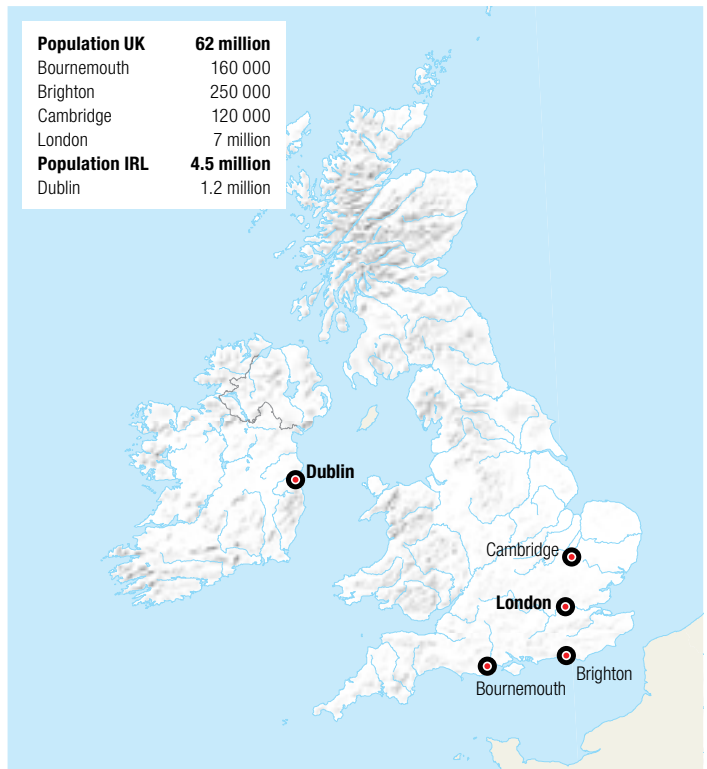

🎯 **Social Activities**

Enjoy your social life and meet new friends with our exciting activity programme.

Great Britain and Ireland

Not only are Great Britain and Ireland the home of the English language – the land of Shakespeare, Joyce, Dickens and Wilde – but they are also the source of many contemporary cultural trends. Universities with a rich tradition offer the most up-to-date education. Eurocentres was one of the first language schools to open in the British Isles more than 60 years ago. Consequently our schools are all in prime locations.

London Central

One of the largest and most cosmopolitan cities in the world, London sets trends in fashion, music, design and film. Our school is based in Victoria with access to a private garden. A huge variety of bars, restaurants, theatres and concerts means you will always have plenty of things to do.

London Eltham

The school is located in the grounds of a royal palace in a leafy suburb called Eltham, close to Greenwich, where the world's time is set. Enjoy the advantages of a quieter suburban location with access to city life only a 25 minute train ride from central London.

Cambridge

As one of the most historic and popular student cities in Europe, Cambridge is a convenient size for getting around either on foot or by bike. Young people from all over the world enjoy student life and the numerous opportunities to play sport, go to the theatre, cinema, pubs and go shopping.

Brighton

Often described as “London by the sea”, Brighton is a fashionable and exciting cosmopolitan city with lots of bars and restaurants to suit every taste and a vibrant club scene. A trendy seaside resort, less than one hour from central London. Its popularity with young people means there is always plenty to do.

Yuiko Ono, Japan
My English has progressed a lot since I came here, especially my pronunciation and speaking skills. The teachers are also good at organising classes and they teach and explain in a very kind way. They always try to understand students and they notice what we need. The social programme events are always fantastic, I often join them with my friends.

There's nothing bite-sized about the Big Apple, the city of superlatives. No other city on earth brings together so many races, cultures, religions and nations. New trends are born here all the time, between the skyscrapers of Manhattan, along Broadway, Wall Street and Central Park.

What helped me overcome my shyness in speaking English was the friendliness of everyone working at the school. I never hesitated to ask questions because all the people were very helpful. During my time in San Diego, I made many friends, tried new food and had a lot of fun. I will miss San Diego and the great time I had, but I will definitely keep in touch with everyone!

My experience here has been amazing, not only because Vancouver is a wonderful city but also because Eurocentres has very good teachers who have helped me a lot to improve my English. I think I will never forget the countless experiences that I have had in the school and with friends I made. Eurocentres is definitely a great school because of its personalised education and focus on every student's needs.

South Africa

South Africa’s fantastic beaches are a mecca for surfers and water-sports enthusiasts, while its rugged, mountainous interior offers thrill-seekers a variety of adventure activities. Naturally, no visit would be complete without travelling to one of the country’s 18 national parks, where one can expect fascinating encounters with the “Big Five” – the elephant, rhino, lion, buffalo and leopard. During the winter months, whale watching is a firm favourite.

Cape Town

The oldest city in South Africa and known as the “Mother City”. With Table Mountain at its heart, Cape Town straddles both the Atlantic and Indian Oceans. An ideal base for exploring the mountains, beaches, historic vineyards and farms for which the area is famed. Malta

Malta, with its medieval, renaissance and baroque architecture, lies right in the heart of the deep blue waters of the Mediterranean, just off the southern tip of Italy. The Maltese archipelago consists of the three incredibly small islands of Malta, Gozo and Comino, area 314 km², and the small population lives happily and peacefully in a sunny, blue, English-speaking environment. Malta has a temperate winter climate where the sun shines practically every day. In summer, the inviting seas and light breezes cool you down from the hot sun.

Sliema

Sliema is Malta's fashionable cosmopolitan town on the sea-front, dotted with shopping arcades, casinos, wine bars, open-air cafés, waterfront restaurants, cinemas, water sports, bowling alleys and games parlours. Malta offers open-air festivals and concerts, theatre, street performances, fireworks and village festas. In Malta, you will discover a leisurely pace of life with traditional villages, pleasant countryside and sea-front walks.

I loved my stay in Malta and was positively surprised by the rich history and culture that it has to offer. Prehistoric temples and many beautiful bays impressed me a lot. I have improved my English and also met many other foreign students from all over the world. This is all thanks to the NSTS interesting leisure programme and fun after-school activities. It was a great experience and I hope that I will manage to come back again soon.

France

In France, people speak the language of love, fashion, gastronomy, diplomacy and culture. It is the most visited country in the world with everything you could ever want to see: great cities, monuments and spectacular mountain and coastal scenery. The most famous sights of “la grande nation” are to be found in Paris.

Paris

Notre-Dame, Sacré-Cœur, the Arc de Triomphe, the Eiffel Tower and other historic buildings and monuments dominate the skyline. A city full of spirit, famous for its arts and “joie de vivre”, its wide boulevards and winding streets. Varied nightlife: trendy bars and clubs, traditional brasseries. Euro Disney is close to the city.

La Rochelle

Coastal location with islands, sandy beaches and sleepy fishing villages. The rich history of this harbour town has always been inseparable from the Atlantic. From the old port, the first French colonialists left for Canada in the 15th century. Fantastic water-sports facilities (sailing, surfing) along the Atlantic coast. A friendly student town.

Amboise

Wonderful little town in the “Garden of France”. Ideal base for excursions to the world-famous Loire castles and vineyards. Amboise is situated in Touraine, a region well known for its pure French and classed in 2000 as a UNESCO world heritage site. It’s no coincidence that Mick Jagger has chosen to make Amboise his second home!

Mayra Capriles, Venezuela
I have studied French for almost 5 months and I can say that I have been progressing a lot. The lessons are not only very educational but also enjoyable and there are always many different activities to join. All the teachers are very friendly, always ready to help and very attentive. Finally, I have really enjoyed staying in Paris and I am very happy to have taken a language course at Eurocentres Paris.

I have been in Lausanne for 3 months and I feel very comfortable in this school. Teachers are professional and motivated which I appreciate. Using IWB to watch videos is a great way to hear people with different accents. Whithin 3 months, I made enough headways to feel at ease when communicating with my friends at school and host family. If you want to learn French, I recommend you to come to Eurocentres Lausanne!

Bob Appels, The Netherlands
I had a fantastic time at the school in Valencia. The classes are small with only a few people, so I learned the language really quickly. The teachers are very friendly and you have different teachers during the day. We learned the grammar by playing different games, talking, listening and doing assignments. I enjoyed my time here and I would definitely come back.

Argentina

Argentina comes from the Latin term “argentum”, which means silver. The origin of this name goes back to the first voyages made by the Spanish conquerors to the Río de la Plata. The survivors of the shipwrecked expedition mounted by Juan Díaz de Solís found indigenous people in the region who gave them silver objects as presents. It is a charming and energetic country with lots to offer: gorgeous landscapes, cosmopolitan cities and lively culture. Argentina is safe, friendly and very affordable.

Buenos Aires

“My beloved Buenos Aires” is one of the most famous tango songs. The secret of the city lies in having everything: culture, architecture, art, music, and non-stop nightlife. A fascinating city, worth discovering block by block (“cuadra” as we say here). The city of Buenos Aires is characterised as having a strong European influence, which is reflected not only in the city’s architectural design but also in the composition of the population, the majority being of Spanish or Italian descent.

I feel very comfortable in this school. The whole organisation seems to work really well. The teachers pay a lot of attention and explain things in an easy, understandable way. I can already communicate quite a bit in Spanish after only 3 days, which is a really good sign.

Peru

Peru, combining the modern and the ancient, is home to one of the New Seven Wonders of the World: Machu Picchu – the ‘Lost City of the Incas’. Its rainforests contain butterflies bigger than your hand, pink dolphins and trees that walk! Surfers can catch the longest known wave, whilst onlookers can enjoy the famous cuisine. Spanish is the first language of the country, and the Nobel Prize for literature was recently awarded to a Peruvian author.

Cuzco

Cuzco, a charming city high in the Andes, is captivating to all who tread its steep, cobbled streets built by the ancient Incas. This welcoming place, surrounded by mountains and impressive ruins, is a place where you can feel at home immediately.

Toby Waterman, Great Britain
The school was a great stroke of luck for me. I was initially attracted to the school because of its work educating local teenagers. As the course progressed, I was impressed with the thoroughness of planning and the range of activities involved. Being a teacher myself, I could tell each lesson was specifically designed for my needs. In addition, the staff of the school generously showed me aspects of Cuzco not normally seen by tourists. Recommended!

When I came to Germany a year ago, not knowing any German at all, I never would have imagined that this experience would change my entire life. The city is amazing and there is always something to explore. The staff are very caring and helpful, I can say they became my family. Would I recommend a language course at Eurocentres Berlin? Yes, I definitely would. It has been the best experience of my life.

Alejandro Correales Camacho, Columbia

My six months at Eurocentres were incredible. I got to know people from different countries and learned a lot about their cultures. I also learned Italian! I arrived without any knowledge of this language, but thanks to the excellent teachers and staff I achieved a high level and I would like to thank them for everything they have done. I will never forget this beautiful experience and I will definitely return to Eurocentres! Thank you for everything.

I started without any Japanese knowledge. Now I can read, write and speak in Japanese. The staff are always really nice and helpful, and do their best for your wellbeing. In small groups, especially in private lessons, you learn a lot. And with the afternoon activities you also get to know the Japanese culture, which is always fun and interesting. I hope I can come here again.

China

China offers both bustling cosmopolitan cities like Beijing and Shanghai, with their modern high-rise buildings, classical culture and booming business districts, and beautiful countryside with small traditional villages. China is famous for its World Heritage Sites like the Great Wall, the Forbidden City and the Terracotta Army. The population consists of 56 ethnic groups, each with its own culture.

Beijing

The capital of China is a modern but still very Chinese city. The traditional architecture of the old temples and the Forbidden City sits alongside the new architecture of the Olympic sites and the new CCTV Tower. The city is bursting with life, with new restaurants, bars, shops and art galleries opening every day. The people of Beijing are friendly and approachable.

Russia

Russia's economic boom has profoundly transformed the country and its infrastructure, and has led to the emergence of a new and vibrant modern lifestyle. The opportunities are enormous but so are the challenges, and to witness these historic changes is an extraordinary and unforgettable experience. However, no amount of westernisation will ever change the much-quoted "Russian Soul".

Moscow

Moscow is the New York of Russia, the city that never sleeps, but where old Russia is still evident. The many churches with their onion-shaped towers, old buildings and palaces and, of course, Red Square and the Kremlin, give the city centre a unique character. Moscow is both familiar and exotic – fascinating every visitor with its charm.

Insurance

Cancellation and return travel costs

This combined policy covers withdrawal and return travel costs.

Period of cover: minimum three months

Withdrawal costs:

If you have to cancel your planned stay at a language school at short notice on health grounds (a medical certificate is required), because of a death in the family or a problem with your transport, this insurance covers the cancellation costs in accordance with Eurocentres' Standard Terms of Business.

Return travel costs:

In the event of illness or accident, the costs of transport, either to the nearest local hospital or to a hospital where you live, are covered. If you have to terminate the course on compelling grounds and return home earlier (e.g. if a close relative dies, your property suffers serious damage as a result of burglary or natural disasters), the insurance will cover the additional return travel costs. In addition, ELVIA will refund the expenses for the unused part of the course pro-rata to the arrangement price. If the insured person goes missing, the insurance will cover the search and rescue costs.

Clause 1 Registration, contracting party and minimum age

To register, please use the form in the brochure or on www.eurocentres.com, and send this as early as possible to Eurocentres or to a Eurocentres contracting party. First and family name must be entered as shown in the travel documents (passport or identity card). On confirmation of the registration by Eurocentres (Foundation for Language and Educational Centres, Seestrasse 247, 8038 Zurich, Switzerland), the contract shall be deemed to have been agreed and the registration shall be binding. The minimum age for any Eurocentres course is 16 years (16th birthday before course start). The minimum age for Sydney, Melbourne, Madrid, Seville, Buenos Aires, Sliema and Beijing is 18 (18th birthday before course start).

The course participant shall be deemed to be a Eurocentres contracting party provided he or she is 18 years old or more. In the case of course participants who at the time of registration (date of registration) have not yet reached the age of 18, or where despite having reached the age of 18 the participant is not deemed capable of being a contracting party according to the law of his or her country of residence, the contract must be signed by a parent or guardian, who must also give his or her exact address. This shall also apply when the age of consent is not 18 years in the country where the language course is taking place, or in which the course participant or his or her parent or guardian is resident. Special regulations apply for participants under 18 years attending courses in Australia. Before enrolling, please ask your Eurocentres adviser for a copy of the "Supplementary information concerning Australia", and /or consult www.eurocentres.com.

Depending on the course venue, it may be the case that a parent or guardian has to give his or her consent to the language course if the participant is under 21 years of age (regardless of whether the participant is deemed capable of being a contracting party in his or her country of residence).

The course participant shall be defined as the person who takes part, or intends to take part, in the language course that is the object of this contract.

Vouchers and other promotions must be presented at the time of registration. Vouchers and promotions cannot be taken into consideration once the course confirmation is issued.

Clause 2 Information provided on registration

The course participant/contracting party hereby expressly confirms that the information provided at the time of registration for the language course shall correspond with the truth, and accepts that he or she may be expelled forthwith from the language course at any time should said information prove to be a misrepresentation (e.g. beginners who select a start date on which no beginners' courses are available). In such an event, the course fees shall not be refunded in any way, not even on a pro-rata basis. Potential participants who are unsure of their language level should tell their Eurocentres adviser that they wish to take the Eurocentres Pathfinder test (available on www.eurocentres.com).

Clause 3 Terms and conditions of payment

On receipt of the course confirmation, a down payment of USD 475 / CHF 500 / EUR 330 / GBP 285 / JPY 50,000 / AUD 555 / CAD 500 per participant and the premiums for the combined ELVIA travel insurance and the ELVIA Security Package are due. (Please note for online enrolments, the down payment is due on receipt of the course confirmation.) The remaining course and respective accommodation fees are due six weeks before starting the course.

Payment for all products shall be due immediately in cases where registration is made less than six weeks before the start of the course. The fees shall be deemed as effectively paid only when they have been paid into the account specified by Eurocentres in the confirmation of registration. Enrolments received by phone, fax or mail: when paying by credit card, the down payment will be charged to the card 10 days after dispatch of the confirmation and the remaining payment six weeks before start of the course.

Clause 4 Delay in payment

Should payment not be made by the aforementioned date, the contracting party shall be deemed to be in default. In such an event, Eurocentres shall not be obliged to admit the course participant to the language course. The existence of a claim on the part of Eurocentres shall remain unaffected by the above. Eurocentres may claim damages in accordance with clause 10.

Clause 5 Proof of payment

At the start of the course, the course participant shall provide proof of payment of the course fees and, where applicable, of the accommodation and other fees. Should the course participant be unable to present such proof, he or she shall not be admitted to classes or accommodation. In such an event, Eurocentres' claims shall remain unaffected.

Clause 6 Enrolment fee

The enrolment fee shall be charged for all arrangements and is not under any circumstances refundable. The exact amount is shown on the invoice/confirmation or in the respective school page in this brochure and at www.eurocentres.com

Clause 7 Change fee

A request for a change of school, date (course, accommodation, etc.) or type of accommodation before or after commencing the course has to be agreed by Eurocentres. If Eurocentres is able to confirm the change, you will be charged a change fee of USD 80 / CHF 100 / EUR 75 / GBP 50 / JPY 9,000 / AUD 125 / CAD 110. The change fee for the language year / semester is USD 230 / CHF 300 / EUR 200 / GBP 145 / JPY 27,000 / AUD 370 / CAD 330 and is payable when the confirmation is received. You will not be charged this fee if you choose to extend your course before commencement of the course. If we receive your change of booking less than 14 days before the course is due to begin or after the course has started, other costs may be incurred in addition to the booking change fee (e.g. for accommodation), which we will have to pass on to you. Any extension of a course, once the course has begun, will be treated as a new enrolment. In the case of specialised courses of more than four weeks, the specialisation can also be changed during the course. However, only one change can be made every four weeks. The school must in any case agree to a change. Please see Clause 10 for calculation of deadlines.

Clause 8 Passport and visa requirements

Many countries have passport and visa requirements. Please familiarise yourself with such regulations and make the necessary arrangements.

Clause 9 Obligations of the course participant

The course participant shall be responsible for choosing a language course that corresponds to his or her abilities and complying with any visa stipulations. The course participant undertakes to participate personally at the lessons and to arrive punctually. Should irregular attendance or other behaviour of the participant break the law, be in conflict with entry or visa regulations, or cause a disturbance to other participants, Eurocentres reserves the right to expel the participant from the course. In such an event, the course fees shall not be refunded in any way, not even on a pro-rata basis.

Clause 10 Withdrawal before the start of the course

The contracting party may send written notification of withdrawal before the start of the course, without any statement of reasons. If such written notification is received by Eurocentres 14 days before commencement of the course, all payments already made to Eurocentres in connection with the present contract shall be refunded to the contracting party, with the exception of the enrolment fee, a possible accommodation placement fee, and the ELVIA cancellation and return travel costs insurance premium. If written notification is received by Eurocentres less than 14 days in advance, but in any case no later than 5 p.m. (CET) on the last Thursday before the commencement of the course, an invoice shall be issued for the enrolment and, if applicable, the accommodation placement fee, the ELVIA insurance premiums, school and accommodation fees for one or two weeks. The reimbursements will be made within four weeks after receipt of the withdrawal. For student residences, hotels and apartments, the respective General Terms & Conditions of the third parties providing such accommodation apply. Special regulations apply with respect to withdrawals by participants studying in Australia on a student visa. Before enrolling, please ask your Eurocentres adviser for a copy of the "Supplementary information concerning Australia" (this information can be found at www.eurocentres.com).

The time of receipt of the notification of withdrawal during normal office hours at Eurocentres shall determine the date of withdrawal. If the notification arrives on a Saturday, Sunday or a general public holiday in Zurich or London, the next working day shall be the official day of receipt. This also applies to notifications by email, fax, etc.

Clause 11 No-show or withdrawal from the language course, failure to attend individual parts thereof

Should the course participant fail to attend the language course, withdraw from the course, or not take up individual parts thereof, such as individual lessons, he or she shall not be entitled to claim any reimbursement. Special regulations apply with respect to withdrawals by participants studying in Australia on a student visa. Before enrolling, please ask your Eurocentres adviser for a copy of the "Supplementary information concerning Australia", and/or consult this at www.eurocentres.com.

Clause 12 Cancellation and/or change of accommodation after course start

Accommodation may be terminated or changed, subject to two weeks' notice ending on a Saturday. Notice of termination shall be sent in writing to Eurocentres exclusively. A change fee of USD 80/CHF 100/EUR 75/GBP 50/JPY 9,000/AUD 125/NZD 135/CAD 110 will be charged. Should the course participant leave his or her accommodation before the end of the period of notice, the full price for the accommodation up to the end of the cancellation period remains payable. For student residences, hotels and apartments, the respective General Terms & Conditions of the third parties providing such accommodation apply.

Clause 13 Complaints and liability

The course participant shall make complaints without delay to the local school administration or to Eurocentres in Zurich. (Any complaint concerning services provided by a third party should be addressed to the third party.) If Eurocentres is not able to remedy the situation within a reasonable period, the course participant may take steps to remedy the situation him or herself, and Eurocentres shall refund the cost, against receipts, in so far as legal and contractual liability requires. This procedure does not restrict the participant's right to pursue other legal solutions. Any requests for refund should be made by registered letter to Zurich within four weeks of the agreed termination of the course. After this period, all types of claims under any legal title shall no longer apply and be forfeited. Eurocentres shall be liable for its own performances in accordance with these General Terms and Conditions and statutory regulations but not in the case of ordinary negligence; for package deals, liability in case of claims other than for personal injury shall be limited to twice the package price. Liability is limited to the immediate damage. Eurocentres shall not be liable for the loss, destruction, etc., or misuse of valuables, cameras and video cameras, etc., mobile phones, credit cards, cash, etc. Eurocentres shall also not be liable for lost holiday time, experienced frustration, etc. Eurocentres shall not be liable in the case of poor or non-performance of services provided by a third party. For any non-contractual liability, the statutory regulations shall apply, with any liability limitations and exclusions of these General Terms and Conditions of Business having priority over statutory regulations.

Clause 14 Insurance

Eurocentres strongly recommends you take out the combined ELVIA travel insurance (covering withdrawal and return travel costs) and ELVIA Security Package cover (luggage and medical costs insurance) and third-party indemnity insurance. Insurance premiums are not included in the course fees and shall be invoiced separately. Premiums for cancellation and travel costs insurance are not refundable.

Clause 15 Minimum number of participants & public holidays

Where the minimum number of six students (Cuzco 4) required for each language course has not been reached, Eurocentres shall inform the participant/contracting partner at least three weeks before the start of the course. Where Eurocentres is unable to offer the participant/contracting partner an alternative language course, Eurocentres shall reimburse any paid fees. The contracting partner shall not be entitled to make any claims for inconvenience or for other damages. In exceptional cases, Eurocentres may run courses with less than six participants. On days which are, according to the local law, public holidays in the location of the school, no classes will take place. Lessons will neither be compensated nor refunded.

Clause 16 Changes to prices, dates or programmes

Provided that no confirmation of registration has been issued, Eurocentres shall have the right at any time to change the dates and prices published in the catalogue, on the internet or elsewhere. On conclusion of the contract, Eurocentres may amend the published programme of services, provided such amendments are unavoidable and negligible, and are made in good faith and do not affect the overall style of the course. If material changes are made to key services, the contracting party shall have the right to withdraw from the contract or to request to join an equivalent language course, where Eurocentres is able to offer him or her such a course. Eurocentres shall immediately notify the contracting party of any such amendment. The contracting party must exercise his or her rights immediately after receipt of such notification from Eurocentres. Eurocentres shall be entitled to increase its prices after signing of the agreement and up to three weeks before the start of the course for the following reasons: increases in cost of transportation, increases in charges for certain services, fluctuation in exchange rate, official price increases, introduction or increased official charges. In the case of such an increase, the price can be adapted and increased accordingly. In the case of price increases of more than 10%, the contracting partner shall have the same rights as in the case of a considerable change of one of the key services. Any changes to the programme or services during the language course due to unforeseeable or unpreventable reasons are permissible, provided the overall content of the programme remains unchanged. Eurocentres retains the absolute right to assign or re-assign participants to classes in accordance with their language skills or to implement any other measures required for the correct operation of the school.

Clause 17 Data protection

We record your personal data only if you order a brochure, request an offer or book a course. The received information shall remain within Eurocentres and is not made available to third parties or other organisations. Your information is passed on to:

- book your accommodation (i.e. host family, residence, and hotel).

- order the requested brochure as quickly as possible. To ensure quick processing, we may pass your order on to one of our contractual partners in your home region.

Your information is stored by Eurocentres, Zurich. If we have your permission, Eurocentres uses your data to provide you with information about Eurocentres product news. Please inform us if you do not wish to receive this service.

Clause 18 Consumer protection

By signing the General Terms & Conditions of Eurocentres, the contracting partner shall retain the right to instigate further legal steps, subject to these being available under the law applying to the place of residence of the contracting partner or at the location of the school. This right shall not be limited by compensation offered by Eurocentres or a partner company of Eurocentres in connection with a dispute.

Clause 19 Contracting parties/guarantee

The contract is concluded between the contracting party as defined in Clause 1 and the Eurocentres Stiftung für Sprach- und Bildungszentren (Foundation for Language and Educational Centres), Seestrasse 247, 8038 Zurich, Switzerland. This can be obtained from a British diplomatic mission overseas. At the point of entry, they may also be required to show the school's confirmation letter, proof of payment of tuition fees, the accommodation address, their return flight ticket and proof, with formal financial statements, that they can support themselves during their stay. For some countries a health certificate might be needed. Non-visa nationals can also obtain leave (permission) to enter as a Student Visitor on arrival in the UK, but must remember to show their course confirmation letter at immigration. (Please note that all non-EU/EEA/Swiss nationals applying for an Extended Student Visitor Visa must do so before arrival.) Students under the age of 18 should apply for entry clearance as a Child Visitor. General Student Visa (GSV) route: Non-EU/EEA/Swiss nationals who are over 16 need a Confirmation of Acceptance of Studies (CAS) when applying for entry clearance as a General Student. The UK Border Agency has approved Eurocentres as an official sponsor, which allows Eurocentres to issue the CAS for its course participants who can demonstrate that they have already achieved a level of English at B1 on the CEFR and are able to study in a course at B2 level. The CAS has to be presented at a British diplomatic mission overseas when applying for entry clearance together with proof that the student has enough money to cover course fees and living costs and proof of English level.

A non-refundable fee for the CAS of GBP 18 will apply. Students on a General Student Visa can extend their visa while in the UK, but cannot work.
