### Learning with all your senses!

Many people who would like to learn a language believe - because of their experiences Many people wno would like to learn a language believe - because or their experience at school - that learning and having fun are mutually exclusive. Some believe, in a sense, that you have to suffer, otherwise you will not get the results that you would like to achieve. They are reminded of what learning grammar and some suffers to the past. Even those experiences reinforce that learning a language inevitably involves a degree of pain and effort. a language inevitably involves a degree of pain and effort. น เมาเทนนยะ เทะงานบาง เทงบางะร น ฉะฐายะ บา puin นาเม emort. #### SCHOOL INFORMATION

The school is simply breathtaking – a sight to behold! This striking, aesthetically pleasing stone building with its classical Greek-like elements and Roman arcades will not fail to impress you. Our campus, comprising of classrooms – almost all of which are airconditioned – apartments, restaurants, and gardens, not to mention the swimming pool and the beach volleyball court, is the perfect place to study and relax. The sun shines practically all year round, making it an outdoor experience when it comes to relaxation and leisure opportunities, which are almost unlimited.

### ENGLISH IN MALTA ST. JULIANS

### ENGLISH IN MALTA ST. PAUL'S BAY

#### SCHOOL INFORMATION

Our school and accommodations are located in the northern tourist village of St. Paul's Bay, near where St. Paul landed on Malta nearly 2000 years ago. The accommodations, found near the city-centre, are perfectly positioned with shopping, leisure, nightlife facilities, as well as the school, all within a five to ten-minute walking radius. The sea, never far away in St. Paul's Bay, can be reached by foot in one to two minutes. The school is also situated within easy walking distance of the sea and features bright classes and common areas. St. Paul's Bay itself is a bustling, new seaside village mostly popular with English holiday-makers so students will have plenty of opportunities in their free time to practise their English not only with each other and the locals, but also with British visitors to the island.

#### **SCHOOL INFORMATION**

Built in 1886, the school has stunning views of Madison Square Park, the Flatiorn District, and Midtown. At the time, it was built in the wealthiest area of New York City. Designed by renowned architect Bruce Price, the building is a striking combination of stone, brick, terra cotta, iron and copper in the Beaux Arts style with extensive detailing inside and out. One of its original treasures - a lobby mural painted by the famous French decorating firm of Arthur Brounet is maintained in its original glory. The school is located in the heart of Manhattan, 5 minutes on foot from 28th Street and 23rd Street subway stations. It is also 5 minutes away from Madison Square Park.

» A city where one stops breathing; almost too attractive to be real. It bears the ultimate truth that practically everybody loses his heart in Paris; not necessarily to a man or a woman — but definitely to this gorgeous place which claims to be the City of love. «

### SPANISH IN MADRID

#### **SCHOOL INFORMATION**

Our school is located in a beautiful turn-of-the century "listed" building. It is near Porta Del Sol, known as the "Kilometer Zero" of Spain. The main part of the school is on the top floor and offers an excellent view. From here you can watch the comings and goings of the Madrileños, but still have the necessary tranquility required for studying. A few minutes walk will lead you to the steps of the Royal Palace and the "El Prado" museum, a testament to the school's unique and central location.

» Madrid, the heart and soul of Spain. This is the vivacious capital in the centre of the country: you can find a great mixture of various elements here; music, culture, fashion, museums, impulses all over the place. «

#### **SCHOOL INFORMATION**

Our school is located east of Palma de Mallorca's city centre, 25 metres from Palma's main beach the "Playa de Palma". With a length of 5,5 kilometres the Playa de Palma and its beach walk is the ideal place to go jogging, rollerblading, bicycling or simply enjoying the sun and the crystal clear water. Depending on the weather and temperatures classes will also be held in the garden where we have our welcome parties. Public transport from the school to the city centre is available with 2 direct bus lines and takes about 25 minutes. Various accommodation options are available. Double rooms can only be booked for 2 students travelling together.

# SPANISH IN MÁLAGA

#### **SCHOOL INFORMATION**

Our school building is an original Andalusian villa and has always been a popular learning academy. The school is situated in a district of Málaga called El Palo, about 2 km from the city centre and less than 100 meters away from the beach. Along the beach you will find many bars and authentic seafood restaurants, as well as the school's bodega "La Tortuga", the place where we celebrate our welcome parties each Monday. The city centre can be reached easily by public transport, as there is a bus stop right next to the school.

#### SCHOOL INFORMATION

Sprachcaffe Languages PLUS is located in a friendly villa with sea-view amongst the nature and offers a very relaxed and friendly atmosphere. It is the only one of its kind in the entire region and it is surrounded by a nice garden, oleanders and olive trees.

Most of the lessons are taught outside underneath the trees and the teachers are always available to practice the language with the students inside and outside the classroom! The school is located near Tropea and lies within walking distance of the sandy beach and the charming village centre of Santa Domenica.

### CHINESE IN BEIJING

#### **SCHOOL INFORMATION**

It is just impressive - our school is centrally located within the Imperial Gardens in the Wen Hua Gong – the cultural Palace of Beijing, surrounded by the silence of the Forbidden City. Tiananmen Square and Wangfujing (the famous shopping street) are just a short walk away. The residence is also in the same area; apartments are further away but easy to reach with the subway.

#### **SCHOOL INFORMATION**

Sprachcaffe Languages PLUS, our school and world-wide headoffice, is located in a stylish and cosy area offering great shopping opportunities in fancy boutiques, smart cafes, and cool bars. The school has a café bar and a terrace where students can relax between lessons.

Cross the historical bridge "Eiserner Steg" and in a few minutes you will arrive at the heart of the city. There you will find the Römer, the historical square, and across the street is the Paulskirche, the cradle of German democracy. All this in the middle of Frankfurt's skyscrapers and bank buildings. All of Frankfurt's museums are literally a two-minute walk away from the school. The museums look onto the Main river and are popular places to sit and chat on a sunny day.

### BOOKING CONDITIONS & REGISTRATION

1. Enrolment: Fill in the application form and post or fax it to the address mentioned at the back of the brochure. A deposit of 20% of the total amount is due at the time of registration. With your application you commit yourself to the services requested and booking conditions. After having received your application and deposit we will send the confirmation of enrolment and the invoice. The welcome pack with extra information and the address of your accommodation will be sent after you have settled the remaining balance.

The invoice must be paid in full four weeks before arrival.

- 2. Rebooking: Changing a booking (e.g. arrival date, accommodation, etc.) up to 31 days before departure we will incur a fee of 50 € / 40 GBP / 65 \$ or equivalent. Afterwards we will do our utmost, but cannot guarantee the fulfilment of the request made since extra costs may incur. In that case, the rebooking charge may exceed 50 € / 40 GBP / 65 \$.
- **3. Cancellation:** You may cancel your enrolment at any time prior to the commencement of your course. In the USA we will refund all funds, save for any non-refundable fees, in all other locations, the following fees will apply:
- up to 30 days before course commencement:
- 10% of total fees, max. 150 € / 200 \$ or equivalent.
- between 15 and 29 days before commencement:
- 25% of total fees, max. 300  $\bigcirc$  / 400  $\$  or equivalent.
- between 1 and 14 days before commencement:
- 50% of total fees, max. 600 € / 800 \$ or equivalent.

In the unlikely event the school won't be able to create a group course due it not having enough students at the same time/level, smaller group or One to One courses for a reduced amount of lessons will be provided instead (20 lessons = 12 lessons / 30 lessons = 18 lessons). Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded. The minimum number of participants is 4.

Exam Preparation for exam

**4. Visa:** In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of  $80 \le / 65 \text{ GBP} / 120 \$$  or equivalent (in USA and Canada this amount is included in the enrolment fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non refundable charge of  $80 \le / 65 \text{ GBP} / 120 \$$  can only be made if the student provides the letter of refusal issued by the embassy at least 14 days before departure. After this date we will consider the participation of the student as confirmed and normal cancellation/ rebooking fees will apply. In case the visa has not yet been issued 15 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged (evidence of visa refusal is required).

#### 5. Acceptable forms of payment:

- By bank transfer: The relevant account number will be on the invoice.
- Please send us a copy of the transfer order. All bank charges will be incurred by you.
- By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card company, card number, expiry date and signature.

An additional 2% credit card fee will be charged.

- **6. Insurance:** Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend our personal travel insurance (incl. Health, Third–party, Accident and Baggage: 50 € / 40 GBP / 65 \$ per person per month).
- 7. Liability: Parents of minors agree that neither Sprachcaffe Languages PLUS nor the homestay shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognise and accept the laws and the normal code of conduct of the country which they are visiting.
